Swim England are therefore asking all of our Welfare Officers and Club Chairs, those who are involved with complaints or disciplinary matters at a Club, County or Regional level, and those who act as a Swim England Friend or members of the Judicial Resolution or Appeals Panels to complete the following survey. Important reminder - [Heart of Aquatics](#)

The [Heart of Aquatics](#) is Swim England's safeguarding, welfare and culture plan. This plan will create a better future for everyone in our aquatic sports. The plan focuses on three key pillars of work in 2023 – listen, support and resource. We recognise we must continuously strive to improve in order to foster a positive culture and deliver for the people who are the lifeblood of our aquatic sports. To ensure that happens, we need the help of the aquatics community. The Heart of Aquatics is the first step on our cultural change journey.
