

Northamptonshire Amateur Swimming Association

(Affiliated to Swim England East Midlands Region)

2024 Grant Aid Application Notes

Funding is currently available to SwimMark Clubs for Safeguarding & Child Protection Courses.

Renewal £18.00 *

New SE Members £27.00

Please ensure that any candidates meet the eligibility criteria:

- Must be at least 16 years old
- Must work in a role that also requires a DBS certificate

If you are unsure about the validity of a certificate already held by a candidate then you should contact the ASA/Swim England - safeguarding@swimming.org.

*The SE renewal course is only suitable for individuals who have already completed the SE Safeguarding training. A candidate transitioning to the new compulsory SE S&CP training will be awarded the 'New SE Member' rate once.

Grant Aid will be paid retrospectively to the Club (not the Candidate). The amounts shown above are maximum amounts dependant on the cost of the course and other funding applied for/received. Total funding should not exceed the cost of the Course.

Candidates should download and complete their claim form as soon as they have completed the course and received their certificate. This form and a copy of their certificate should be handed to their Club's Training Officer/Secretary. These, along with a correctly completed Club application form (1 per batch) should be sent to the NASA Grants Secretary either by post, by hand or by e-mail as **.pdf** files for processing.

Post to: NASA Grants Secretary, c/o 8 Appleby Close, Redhill Grange, Wellingborough, NN9 5YN
E-mail to: maz.nasa@hotmail.co.uk

**All applications should be made within 12 months of the date on the candidate's certificate.
There is no limit on the number of applications made by each Club per year.
The date on the Candidates certificate will determine the grant awarded.**
