This award recognises the outstanding contribution of a coach in supporting and inspiring people to engage in an aquatic sport, stay in aquatics, enjoy what they do, and achieve their goals.

Who do we want to hear about?

- A coach who has created a thriving, welcoming, inclusive, and positive culture for all.
- A coach with a holistic approach to the development of all participants, recognising their changing needs at every stage of their development.
- A coach who retains people in the sport by creating great experiences.
- A coach that has actively developed their own coaching practice by trying something new and by being curious and open to doing things differently.

Criteria:

- Must be a Swim England member of any category.
- Must hold a recognised qualification or certification relevant to their role and activity.
- Can be any age.
- Awarding period is 1 August 2023 to 7 July 2024
