Saturday 30 November

The Sport Club of the Year award focuses on recognising clubs affiliated to Swim England who continually go above and beyond for their members, delivering exceptional activities in the pool and/or on dry land.

This award focuses on clubs which create and foster the community spirit of aquatics.

The Sport Club of the Year award is discipline-specific and will recognise achievements from artistic swimming, diving, swimming and water polo clubs individually.

Who do we want to hear about?

- A club that has a great member experience at the core of its activities.
- A club that has committed to supporting and developing volunteers.
- A club that has demonstrated a commitment to engaging the wider community around it.
- A club who have committed to their sustainability.

Criteria:

- Must be an affiliated Swim England club or a section of an affiliated club.
- Awarding period is 1 August 2023 to 7 July 2024.
