## **National County Team Champs - a message from Regional President, Geoff Robilliard**

My thanks to all 5 counties of our region for their teams competitiveness, enthusiasm and effort. The noise level was astonishing. As were some of the outfits. The swimmers should all be extremely proud of themselves. The thanks are also to the Team Managers, Coaches, support staff, for getting our counties there.

To the regions officials and volunteers for standing up to be counted, especially those on the movable floor between the two pools.

My congratulations to the Presidents of the counties for showing support and cheering their teams on.

Huge congratulations to Derbyshire for their tremendous performance to get 3rd spot in the final ranking of this year's competition.

Also in alphabetical order - The swimmers of Leicestershire, Lincolnshire, Northamptonshire and Nottinghamshire all fought hard in a fiercely competitive arena and should be proud of their efforts. You certainly made your counties proud.

Best wishes for continued success.

*Geoff Robilliard*

## **Masters Club and Section Requirements - a reminder**

A reminder to Masters clubs, and those clubs with Masters sections, earlier this year Swim England updated the requirements for Masters clubs, particularly regarding Welfare Officers, DBS checks and Safeguarding training. As of the 1st of August 2024, all Masters clubs should have a Welfare Officer in place and all Masters coaches, teachers and welfare officers should now have a basic DBS check, and have attended Swim England safeguarding training. For full details of Masters club/section requirements, [please click here](#).

We appreciate that the DBS requirement comes with an additional cost, which volunteers within non-masters clubs do not have to pay, so in the interests of equality and fairness, as a region we have agreed to reimburse the cost of DBS checks for any Masters welfare officers or **volunteer** coaches and teachers. For full details of this bursary, [please click here](#).

### **We are seeking applications for Team Managers for the Artistic Swimming Elite Training Squad.**

Team manager details can be found [here](#).

Assistant team manager details can be found [here](#).

### **Codes of conduct concerns/Behavioural Policy**

Our safeguarding team have recently received a few concerns that have in fact been behavioural/code of conduct issues. We would encourage clubs and club members to ensure they have familiarised themselves with club codes of conduct – which all members, and parents (for under 18s) should be signing to agree to each year – so as to ensure that any complaints or concerns are dealt with appropriately. For copies of the Swim England codes of conduct, behavioural policy and behaviour template, please click [here](#). For more information on club complaints please click [here](#).

### **Safeguarding concerns.**

A safeguarding concern is an allegation that harm has, or may have, occurred to a child or adult as a result of a form of abuse by another individual or group of individuals. If you have a safeguarding concern then in the first instance this should be taken to your club welfare officer. If you are unable to gain support from your club welfare officer then you can contact your county welfare officer or failing that, your regional welfare officer. You will be advised and supported if this complaint should go directly to Swim England.

If the concern is urgent and about a child at risk, and you cannot contact your Welfare Officer or the Swim England safeguarding team, you can call the NSPCC on 0808 800 5000. If it is an emergency because a child or adult is at immediate risk, then call the police or children's social care (if appropriate) in your area. If a child or adult is in immediate danger contact the police on 999. For non-emergencies 101.

### **East Midlands Masters Championships**
