# New Updates

## **DBS checks - update to cost as of 1st of April 2026**

Swim England have announced an update to DBS costs, effective from the 1st of April.

From the 1 April 2026:

Paid roles in clubs: £60 per application, or sign up to the update service to bring this down to £16 per year.

Volunteer roles in clubs : Free for the first DBS check – we'll cover the £5.85 fee. For DBS renewals (required every three years), the cost will be £5.85 per check. However, volunteers can sign up for free via the Government's Update Service.

In order to benefit from continued free DBS checks for volunteers we would strongly encourage all clubs to work to create an internal process to ensure that volunteers sign up to the Government Update Service within 30 days of their DBS certificate issue date.

For more information regarding DBS checks please visit

<https://www.swimming.org/swimengland/disclosure-and-barring-services-check/#updateservice> or contact DBS@swimming.org

## **Potential Buddle workshops - let us know what you think**

We are looking at hosting some Buddle (Sport England) workshops on the morning of the Regional AGM which is provisionally set for Saturday 18th April 2026.

The link below allows for the registration of interest for the different workshops that Buddle has available, this will help us gauge demand.

[https://eastmidlandswimming.org/?ff\\_landing=100](https://eastmidlandswimming.org/?ff_landing=100)

This survey will close at 8 am on 9th February 2026.

Please note workshops being run are subject to interest and presenter availability as these are delivered by Buddle/Sport England presenter rather than the Region.

## **Free online resources**

Active Partnerships and the Swim England Safeguarding team have worked together to create a suite of free online training courses for clubs in the East Midlands. For more information please visit link [here](#).

### Constitutions

A reminder that if any club plans to update their constitution, this should be sent to [eastmidland@swimming.org](mailto:eastmidland@swimming.org) prior to approval at a club AGM or SGM. Once your constitution has been adopted at your AGM please contact the office and we will send a full regional approval letter. Constitutions are only in place when they have been adopted at an AGM or SGM. Constitutions do not need to be updated or re-adopted on an annual basis.

If you are an unincorporated club please ensure you use the Swim England template (hyperlink here: <https://www.swimming.org/swimengland/new-model-club-constitution/>)

If you are a Charitable Incorporated Organisation the template can be found here <https://www.swimming.org/swimengland/charitable-incorporated-organisations/>

For affiliation purposes moving forward, clubs will need a full approval letter so if you currently have an AGM-provisional approval letter please contact [eastmidland@swimming.org](mailto:eastmidland@swimming.org) with the minutes of the AGM in which your constitution was adopted, so that we can send you a full approval letter.

If you would like more information on club structures please visit <https://buddle.co/learning-and-support-resources/getting-organised/legal-structures-your-group>

### The 2026 course and CPD bursaries are now available here:

<https://eastmidlandswimming.org/clubs/bursariesandfunding/>

For 2026 the submission time has been extended to 3 months from the date on the certificate. Clubs are reminded it is essential as part of the clubs safer recruitment process and safe supervision approach to support a clubs risk assessment that they have had sight of a members completed qualification certification prior to them undertaking the role to ensure the member has appropriately completed the qualification for them to deliver within the scope of this.

Should a member have received their certificate but this isn't showing on their membership record/the club personnel report this can be sent to: [coachingcertificates@swimming.org](mailto:coachingcertificates@swimming.org) with the members Swim England number for this to be updated.

### **Safeguarding refresher course requirements**

Swim England Safeguarding Refresher should **only** be completed if the member has completed the Swim England Full Safeguarding in Aquatics course within the last 3 years.

If the last course a member attended was not the full Swim England course (for instance if they did the UK coaching course) or if they haven't attended any previous safeguarding training, then they will need to do the full Swim England course.

If the refresher course is completed and the member in question has not attended the full Swim England course prior, then unfortunately the refresher course is invalid and they will need to attend the full course. For those clubs applying for international permits please note that permits will be rejected on this basis.

### **International Permits**

Clubs taking teams abroad AND individuals competing abroad AND officials working abroad must apply for an International Permit - any event taking place outside of England, Scotland, and Wales is considered to fall in to the category of "abroad"

<https://www.swimming.org/swimengland/international-permits-faqs/>

### **Treasurer/Finance Contact**

The Region uses the software Xero to send out invoices to clubs and associations as well as receipts of payment, we would be grateful if the club contact details can be confirm via: [https://eastmidlandswimming.org/?ff\\_landing=99](https://eastmidlandswimming.org/?ff_landing=99)

Ideally these details will be generic contact details which is why they are not being populated from club and association personnel reports.

### **Activities with over night stays**

If your club organises any trips which include an overnight stay whether in the UK or abroad we would encourage the club to consider increasing their Team Manager 2 base so they have a greater base to fall back on should the need occur, our next workshop is on 25th February and can be booked here:

<https://eastmidlandswimming.org/volunteers/team-managers/>

A copy of the Team Manager, Coach and Chaperone Policy can be found here if needed: <https://www.swimming.org/swimengland/swim-england-relases-supervision-ratios-policy/>
