New Updates

CIO constitution update

The Charity commission has now approved Swim England amendments to the CIO constitution and an update can be found on our [website](#).

CIOs that are already registered with the Commission do not need to immediately change their constitutions but clubs may wish to make these changes at their next scheduled AGM. Any new clubs wishing to become a CIO and therefore will be registering with the Charity Commission, will need to use this template moving forwards.

Any questions please email lizzie.butcher@swimming.org.
